

Ounsted & Company

CHARTERED PROFESSIONAL ACCOUNTANTS - BUSINESS VALUATIONS

Senior Accountant

If you are a talented and passionate public practice accountant who provides excellent and efficient client service, then this Senior Accountant position may be the opportunity you have been looking for.

Ounsted & Company is seeking an experienced and well-rounded Chartered Professional Accountant to provide accounting services to small and mid-size private enterprises.

About Us

Ounsted & Company is one of the most well-respected and progressive small to mid-sized accounting firms in Victoria, British Columbia. Our firm consists of 8 employees including dedicated chartered professional accountants with years of experience and success working with private businesses.

Since our inception in 2006, we have been providing clients with outstanding customer service and the highest quality of work. Our team members approach clients and the work they do for them with honesty, integrity, and respect. We develop long-term and mutually rewarding relationships with our clients, an in-depth working knowledge of their businesses and a commitment to the highest level of quality.

At Ounsted & Company our greatest strength is our people. We care about our employees and want everyone to have a rewarding career. We foster collaboration and value our employee's ideas.

We offer an exceptional work environment that allows our team members to enjoy a balanced lifestyle with limited overtime hours in tax season while also providing opportunities for professional and personal growth.

Our competitive and highly attractive salary, comprehensive benefits package and flexible summer work schedule will appeal to talented individuals who share our desire to be the best.

Our Ideal Candidate

Ounsted & Company requires a well-rounded individual who can engage with our clients in order to provide service that exceeds their expectations. The ideal candidate should possess strong technical skills, and the ability to manage their own time and be able to communicate effectively, both verbally and in written form. They are motivated to produce quality work and possess great problem-solving skills with a focus on solutions. They take charge of projects, navigating multiple deadlines in a fast-paced environment with confidence.

The ideal candidate will have a minimum of 8 years of public practice experience and be able to work independently to prepare year end working paper files, financial statements and a corporate tax returns with minimal supervision.

Education

- Completed undergraduate degree
- Chartered Professional Accounting Designation
